### **Fees**

Each party is staffed by 2 horses and 3 persons for up to 12 children. The fees are \$175 for 1 ½ hours, \$225 for 2 hours and \$295 for a 3 hour party. Each party is customized according to budget, age of the children, and planned activities.

An additional horse and staff member is required for 13-18 children @ \$125.

Live horse painting is \$3 per child (\$25 minimum charge).

We have hosted parties with as few as 4 and as many as 25 children. The lower the ratio of guests to each horse the more time each child is able to ride. For example, for a 3 hour party, you might choose to have just 6 children for \$295 or add an additional horse and staff member for 12 children. It's been our experience the small to mid-size parties seem to be the most relaxed and enjoyed by the birthday child, host parents, and guests.
